

3. Real Estate Agent Focused

Subject: Help your clients invest in Dubai (and earn extra income too)

Hi [First Name],

Are your clients asking about international property investments?
Orca24 makes it easy for them – and profitable for you.

Orca24 is a real estate intelligence platform that analyzes **thousands of properties in Dubai**, delivering ROI, location data, rental comparisons, and a recommendation score – all in one interface.

As a real estate agent, you can:

- Offer your clients a powerful **decision-making tool**
- Expand your service into the Dubai market without needing local knowledge
- **Earn recurring commissions (30%)** when you refer clients to the platform

Dubai's market attracts over **100,000 new buyers each year** – and you can now be part of it.
