

4. For Tax Advisors / Accountants

Subject: A smart tool your clients will thank you for

Dear [First Name],

As a trusted advisor, you know your clients are always looking for new ways to grow their wealth.

Now there's a platform that lets them do just that – with **international property investment made simple**.

Orca24 is a real estate analysis platform built for **Dubai's booming market**, offering:

- Full property evaluation (ROI, location, rent estimates)
- Comparisons with similar listings
- A unique recommendation index for smarter decisions

The best part?

It works for **anyone** – no real estate experience needed.

By referring clients, you can:

- ✓ Add real value to your advisory services
- ✓ Help them diversify investments
- ✓ Earn **30% recurring commissions** when they subscribe
